Weidmüller

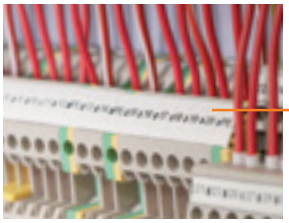
Marking systems for the entire cabinet

MultiMark is the smart all-in-one solution

Switch marker

SM/CC: Eye-catching and highly adhesive equipment labels – ensure that devices are used correctly

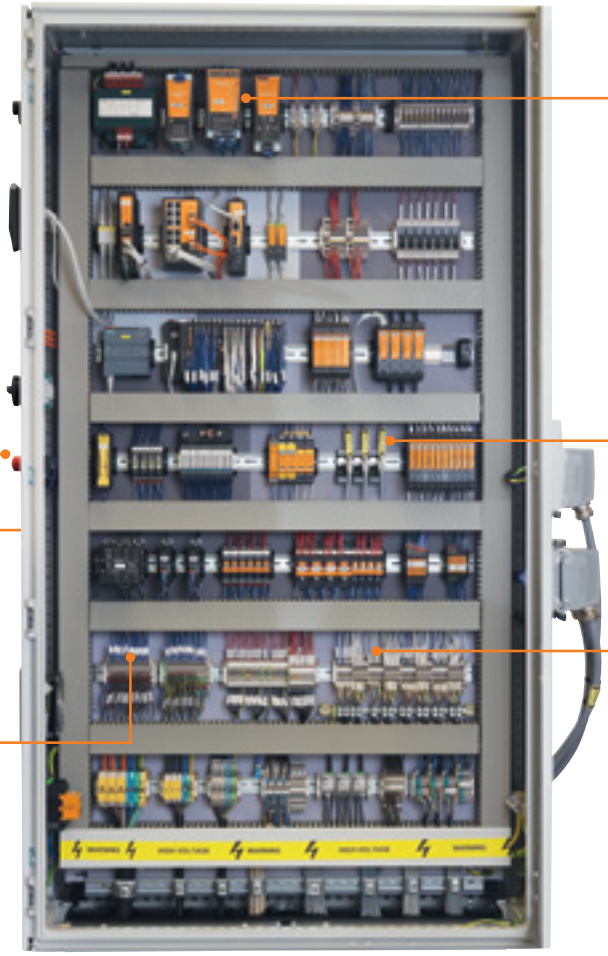
Terminal marker



DEK/WS: Flexible connector markers – print, clip, finished

Wire marker

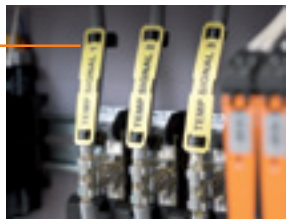
WM: Wire markers installed without tools – simply edit your projects on a computer then print on a reel



Device marker

ESG: All-purpose equipment identification – simple labelling of markers for quick identification of components

Cable marker



SFX: Highly flexible cable markers – determine the maximum diameter from the length of the cable tie

Wire marker

TM-I: Plug-in wire markers – easy to install before and after the sleeve assembly
